

Transcript Audit Services

Your Partner in Student Achievement

Customizable solutions tailored to meet the specific needs of **YOUR** school district. ESC Region 12 offers a comprehensive range of services, including:

Assessment of grade-level GPAs, calculations used, or software configurations to ensure accuracy and efficiency in academic evaluation processes.

Review academic documentation such as transcripts, schedules, classes, graduation plans, and transfer students.

Evaluate district policies to ensure alignment with established best practices and offer constructive feedback on areas that may require attention, ensuring consistency and adherence to TEA standards.
